

The Ann Arbor Area Piano Teachers Guild Foundation is a 501c3 non-profit, volunteer organization whose purpose is to support music education for piano teachers and students and promote cultural awareness in Ann Arbor and the surrounding communities.

Teacher Enrichment Grants provide funds for individual teachers to pursue personal musical interests through continuing education.

General Grants provide funds to support group-oriented efforts such as music camps, theme recitals and more.

Your contributions provide welcome support for creative and industrious piano teachers who undertake projects for the benefit of their own students along with those of colleagues and others in the music community.

Contributions are tax deductible and can be made by mailing a check to:

Foundation Grants Awarded in 2018-2019

Thanks to proceeds raised from last year's Spring Fling, Halloween Hoot and Annual Campaign, the Foundation was able to award three grants for the following musical endeavors:

1. A general grant was awarded to the 2018 Summer Ensemble Camp, organized by Guild member Beatrice Ellis. The ensemble camp, in its 5th year this spring, is a week-long summer intensive which provides opportunities for intermediate and advanced pre-college pianists to study and perform chamber music repertoire in a collaborative setting with outside master teachers as well as local coaches. The camp takes place locally at the Faber Piano Institute (Packard and Platt).

2. A general grant was awarded to the 2019 Brightmoor Summer Music Arts program, which was begun by a UM piano major in response to the Detroit Public Schools defunding of school

arts programs. The month long day camp, held in the Detroit area, provides instruction in piano as well as other instruments to bring arts education to an underserved community. The camp also received a grant from the Foundation in 2016.

3. The third grant was for teacher enrichment, awarded to Betsy McCabe to aid in the preparation of a series of concerts to be performed locally. Betsy's concerts are open to the public.

For more information about these projects, and the AAAPTG Foundation, please visit the News section of the Foundation Website (aaaptgf.org).
